Creative Ways to Help Provide These Items

Print this sheet out and include with your grocery list, the next time you go shopping, buy one or more things on the list and drop them off on the way home.

Print this page out and tack it in the company break room or lounge, have people bring in the items and one person volunteer on their way home from work to drop them off.

Encourage your children to buy a dog or cat treat instead of some candy or gum for themselves. Let them bring it to the shelter with you and receive a special thank you for their gift.

Get out an empty jar and each evening drop your pocket change in it. After a few weeks, go to the store and buy some of the items listed above, and then drop them off at the shelter. Its

amazing how a few quarters, dimes and nickels can add up real fast.

Have you found creative ways to raise money and make donations for your local humane society, e-mail us and we will add them to our list. Thank you.
